WILDLIFE REHABILITATION PERMIT REPORT

Issued under the authority of Act 451 P.A. 1994, as amended.

- State regulations require that Permittees maintain an up-to-date record of all animals in their possession for each facility and file a calendar year report.
- Except for migratory birds possessed under federal permit, this report must be used to maintain this record.
- Migratory birds possessed under the authority of US Fish & Wildlife Service Permit may be reported upon the form furnished by US Fish & Wildlife Service.
- Each facility that keeps animals for 48 hours or longer must maintain this record on the premises.
- If this facility was listed on your permit but, in fact, no animals were kept at this facility for 48 hours or longer, indicate NONE on this report.

Please print legibly.
