The ~~School Code Master~~ EEM number contains five digits. Prior to the Michigan Education Information System (MEIS), the leading zero was not used, so your school number may appear to have less than five digits. To validate or request a EEM ~~School Code Master~~ number, contact Wanda Bazzett at 517-373-1833, bazzettw@michigan.gov.

Field 9: Racial/Ethnic Code

Optional Field

Submission date: December 1, 2009

Field use: MCL 380.1230 - 380.1230h, MCL 380.1535a and MCL 380.1539b

State of Michigan office contact: CEPI customer support, 517-335-0505, CEPI@michigan.gov

Code/format: This is a unique six-position field using any combination of "0" through "6" in the proper position (NNNNNN). Because this is a multiple occurrence field, the indicator of the code is located by position in the format. The primary racial/ethnic choice is represented with a "1" and the second choice is a "2", etc.

For example, a person whose primary racial/ethnic choice is Asian American would receive a code of "010000". If the same person were also White, they would receive the code of "010020". In this example, a person who is primarily of the Hispanic ethnic group and is also of the Black and Asian races, would be coded "032001". If a person were of equal races, such as an American Indian and Hispanic, they would be reported as "100001". Using this procedure, multiple racial/ethnic classifications are possible when self-selection occurs.

Dependencies with other fields:

Programming edits: This field is optional. If data are reported, the following edits will be applied to the data submitted. If the code is invalid, a fatal error is reported. At least one of the six digits must be a "1", or a fatal error is reported. Repetition of a "1" in all positions will result in a fatal error.

Definition: First identify a racial group and then the ethnicity of the school employee or individual who regularly or continuously works under contract. If the person is self-selecting, a multiple of the following codes with PRIMARY AND/OR SECONDARY CHOICES MUST BE REPORTED.

- 100000 *American Indian or Alaska Native.* A person having origins in any of the original peoples of North America and South America (including Central America), and who maintains tribal affiliation or community attachment.

Information Regarding the Fall 2009 Submission

Managing your Michigan Education Information System (MEIS) Account

Submission of the Nonpublic School Personnel Report requires each nonpublic school to have an authorized user for the Nonpublic School Personnel Report Application. To become an authorized user, you must already have or create an MEIS account. Information about creating your MEIS account number is available at the MEIS User Management site: <http://www.michigan.gov/meis>. Follow the instructions to create an MEIS Account. After your MEIS account is established, print a copy of your account number, the login and password page and keep for future reference. You may change your password at any time by logging in to the MEIS User Management Site.

Security Agreement (For new authorized users)

After you have established your MEIS account, complete the security agreement (located on the last page of this document). Fax the completed security agreement to CEPI customer support at the number found on the bottom of the form. CEPI customer support will then process your security agreement to provide you with access to the Nonpublic School Personnel Report. Access requests are processed as soon as possible upon receipt, usually within two business days. You will be notified via e-mail when you have access. Your school may have more than one authorized user. Each individual must have his/her own MEIS account and submit a separate security agreement for each school/facility (building).

E-mail Address and Phone Number. It is important that the MEIS user information is current. E-mail messages are the primary communication medium for all authorized users of CEPI and Michigan Department of Education (MDE) applications. Therefore, it is imperative for all MEIS users to keep their e-mail addresses current in their MEIS accounts. Because it is sometimes necessary for an individual from the state to contact an authorized user by telephone, each authorized user's phone number must be kept current as well. If an update is necessary for an authorized user's e-mail address or phone number, please do the following:

1. Update an MEIS account at <http://michigan.gov/meis>
 - a. Click on the MEIS logo.
 - b. Log in as an MEIS user.
 - c. Click on "Edit Personal Information" and make the necessary updates.
 - d. Click on "Save Changes" to update your account.
 - e. Click on "Return to the MEIS User Management Main Menu."
 - f. Log out of MEIS.

Name Change. A name change affects an authorized user's security access to an application. Authorized users are only allowed to log in as the individual named on the security agreement. If an authorized user has a name change, the authorized user must do the following:

1. Create a new MEIS account at www.michigan.gov/meis.
2. Complete and submit the appropriate security agreement(s) for the CEPI application(s) for which he/she has authorization. The security agreement for Nonpublic School Personnel Report is located in this manual and on the CEPI Web site at www.michigan.gov/cepi. Click on the Nonpublic School Personnel Report link located under the Quick Links on the right side of the Web page to access the Nonpublic School Personnel Report Web page.

3. Notify CEPI customer support to close the former MEIS Account (issued with the prior name), by faxing a completed MEIS Authorized User Removal Request form found at <http://www.michigan.gov/meis> under the heading Authorization Information.
