Dear President/CEO:

I have recently amended the OFIR Exemption Order by expanding the number of policy forms that must be filed with the Office of Financial and Insurance Regulation prior to use in Michigan.

A bulletin briefly explaining this change is attached.

The key operative part of the Order I have issued is as follows:

2. On and after **July 1, 2009**, insurers shall, prior to use, submit through SERFF new and revised personal auto insurance documents and forms.
3. On and after **September 1, 2009**, insurers shall, prior to use, submit through SERFF new or revised home insurance documents and forms.

Please guide your company in making its best efforts to implement these reinstated submission requirements.

Sincerely,

Ken Ross
Commissioner
