### **Michigan Liquor Control Commission held Public Meeting in Muskegon**

**Lansing, MI (October 14, 2009)** – The Michigan Liquor Control Commission (MLCC) held a Public Meeting on Thursday, October 8, 2009, at the Hot Rod Harley Davidson Dealership, Muskegon.

Discussion took place on various proposals to change the Commission's distribution system for spirit products (i.e. changes to the split case policy, increasing minimum case orders and instituting a charge for returned/refused orders).

"These changes are meant for our Liquor Licensees and our Authorized Distribution Agents (ADAs). Decisions will be made in the coming weeks," said Nida Samona, Chair of the Liquor Control Commission. "These will not be easy decisions that the Administrative Commissioners must make. This Commission is focused on our licensee's making it in these tough times, but also on making sure our ADAs are still making a profit."

If you could not attend this meeting and would still like input in this meeting please email your comments to [mlccinfo2@michigan.gov](mailto:mlccinfo2@michigan.gov) or put them in writing to MLCC, Andrea Miller, Communications Representative, 7150 Harris Dr., PO Box 30005, Lansing, MI 48909, on or before October 23, 2009.

Please visit the MLCC website ([www.michigan.gov/lcc](http://www.michigan.gov/lcc)) for pictures or for more information regarding this and other important information.
