

Adult Part-Time Grant Fact Sheet

Description

The Adult Part-Time Grant is available for financially needy, independent undergraduates who have been out of high school for at least two years. Eligible students must be enrolled part time (3-11 credits) at a participating public or independent degree-granting Michigan college or university.

Application

Students are selected for an award by their institution. Applicants must file a Free Application for Federal Student Aid (FAFSA). The college's financial aid award letter is the means by which students are notified regarding eligibility.

When funds are insufficient to meet the needs of all eligible applicants, priority will be given to those students with the greatest financial need.

Program Limits

The current maximum award is \$600 per academic year for not more than two, 12-month periods at any participating college. Future awards are subject to available and approved funding.
